ALEXIA AND HER MUSIC:

"This emotionally written piece fuses both R&B, Cinematic and Hip-Hop influences...so captivating and draws me into her vocal ranges and sadness." (Buzz-Music, 2019)

"With exceptional technique & tone that she's honed from professional lessons that have led her to numerous awards for her music already - Alexia is making moves that count, seizing the moment, and pushing her career towards the next level" (Sleeping Bags Studios, 2020)

"Through her stylistic, Britney-esque vocals, and the bold mix of emotions in her lyrics that combine into the highly memorable hooks of her latest single, Alexia Trif proves she has everything it takes to succeed in music."
